## From the Kingdom Equestrian Marshal

Unto the Goode and Fair Folk of Trimaris do I bid greetings! There are wonderful things a-foot, or should I say a-hoof in this Kingdom! Read on and see.

Horses will be at Art/Sci! Be sure to look up anyone with a horse, and introduce yourself, and feel free to examine our entries and ask questions. Also, horses will be at Oldenfeld's investiture. We have plans to run a quest, an Inter-kingdom Equestrian Competition, and a mounted combat practice. Please come and watch us, and cheer on your favorite rider. And, the Starhaven Equestrian Adventure returns in the fall. This time, it will be a Persian adventure, based on the Haft Paykar, A Medieval Persian Romance. More on that in the months to come.

For those who are interested in finding somewhere to learn about horses, here is a listing of your local Equestrian Officers, so far. Feel free to notify me as to your desire to become the local contact in your area. Meetings and Practices are starting up all over Trimaris. Hopefully there should be one near you. For lack of space, I am only including their e-mail addresses.
