

From the Kingdom Equestrian Marshal

Greetings from the KEO!

Now that the 'roll call' is done, my next endeavor will be to re-write the Trimarian Equestrian handbook. Until then, all Trimarian equestrians will be using the Society Equestrian handbook for our rules and regulations.

Also, it is with great sadness that I would report the passing of a Trimarian warhorse, Champ Von Sternstein. He will be missed.

We have moved, hence the brevity of this missive! Our new contact info is 3140 Davis Rd, Mims, FL 32754. The new phone number is 321-385-9563.

In Service,
Lady Chiere wreic Maredudd

The Artisan's Row is coming to Trimaris!

During the grand celebration of the 20th year of our Kingdom, the Artisan's Row will make its first appearance in Trimaris. The Row is a gathering of many varied skilled Artisans who will be demonstrating and teaching their crafts. More than just a class, the Artisans' Row's primary focus is hands-on learning.

A lot can be learned sitting in the classroom but now it is time to come and get your hands dirty! Make your own piece of jewelry, forge a spearhead with hammer and anvil, try your hand at creating a manuscript or weave your own cloth! The Artists will be there to guide you. The crafts are yours to learn.

We will be located next to Lyceum. Please come and join us for a few hours or the whole weekend!

If you are interested in participating as an Artisan, please contact HL Thomas Wright of Lancaster at (813) 995-0638 or bomlin@mindspring.com (use Artisan's Row in the subject line) for more information.
